BANJO HEADS.

It often happens that a person having a common banjo wants
to fix it up and sell it. We offer some excellent 16 inch calf
heads, at 50 cts. each. The reason we offer these heads at such a
low price is because the color of them does not permit us to put
them on the best Stewart Banjos, and out of every hundred heads
made for us we are obliged to lay aside 30 on account of poor color.
OUR BEST HEADS \$1.00 EACH. S.S. STEWART, PHILA.

BANJO STRINGS.

Just received, a new lot of Banjo first strings, Manu-
factured expressly for S. S. STEWART. These strings
are superior to anything yet offered. 10 for \$1.00.
Per bundle of 30 strings \$2.50. Discount to the trade.
